💕💕💕 I followed your blog! I loved the "things you should know about japan" post. I plan on reading more when I get the chance! I started my travel job a few months ago and I'm just itching to see more!

Couldn't agree anymore. It's so indescribable. I love your captions 😭

Dear MG,

I've been to Japan this December. Thanks to your guides I got pretty well prepared for the cold weather.

Your trips inspire me to travel even more. Hope you'll post even more pictures of your travels.

Also thank you so much for the guides and tips that you shared. Made the trip so much better as I was well prepared.

Great caption (& photos of course 😊)! I know what you mean & feel the same way about travelling & making new experiences in general. It's so difficult to share and put all the emotions, thoughts, joy & sometimes struggle into words.
